Re: Installation of all-way stop control at the intersection of 14th Street & South Carolina Avenue SE
NOI #19-151-TOA

Dear Chairperson Jayaraman:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent (NOI) to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- **Install all-way stop control at the intersection of 14th Street & South Carolina Avenue SE**

DDOT has determined that stop signs should be installed on the 14th Street SE approaches to South Carolina Avenue SE. Currently, South Carolina Avenue, which serves east and westbound directions, is required to stop at 14th Street. Under this Notice of Intent, DDOT will require the 14th Street approach to also stop at the intersection. This action will require all approaches to the intersection to stop.

All comments on this subject matter must be filed in writing by July 12, 2019 (thirty business days after the date of this notice), with the District Department of Transportation, Transportation Operations Administration at 55 M Street, SE, Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at: <http://ddot.dc.gov/service/ddot-notice-intent>

Sincerely,

Jeff Marbootian
Director
District Department of Transportation
